Featuring... Local Church Choirs, Soloists, and Groups

Hosted by...

## WARREN LIONS CLUB

Wednesday, June 8, 2011 @7:00 PM  
Warren Cultural Center

**\*FREE ADMISSION!!!**

The Lion's Club purpose is to serve our community. Our primary focus is vision correction and blindness prevention. We aid in this effort by performing vision screenings to children in our community. The funds raised by this and all Lions events will benefit all Lions community service projects, and are critical to ensuring funds availability for Photoscreener® film and other supplies, as well as providing corrective eyewear and/or optometry exams for those with a valid financial need. Support this effort by supporting this event!!! \*A benevolent offering will be taken.

For more information or to book your group for this program, please contact-  
Eddie L. Thomas at (870) 820.4178 or any Lion's Club Member!
